

Food Production Supervisor

- Working in the **Adelaide Hills** area of **Lobethal** in a well-established and reputable organisation
- Full Time hours across Day and Afternoon Shift
- Access to PBI salary packaging

The Cultivate Food and Beverage company is a growing establishment with multiple operational sites and endless potential and providing endless opportunities.

About Cultivate Food & Beverage

Cultivate Food and Beverage is a social enterprise firmly set in the fabric of food and beverage manufacture in South Australia. Cultivate endeavours to deliver products created with care for customers who are focused on maximising their efforts towards positive social impact. We take pride in our efforts to strive for best-in-class implementation of environmental sustainability practice, not only looking to improve the lives of others but also the environment in which we live and work.

Our purpose is to deliver quality food and beverage products while scaling social impact. Catering to the needs of our clients starts with a state-of-the-art kitchen. Then we add our most important ingredient — the people. At Cultivate, we recruit budding chefs and instil in them a pinch of purpose, a dash of pride and more than a splash of passion. That's our recipe for success.

Essential Ingredients

As our business is growing, we are casting the net looking to catch a new member of our site leadership. This hands-on supervisory position will manage high quality outcomes, ensuring quality controls are met and empowering the workforce to engage and deliver above expectation through mentoring, guiding and support. Located in **Lobethal** and reporting to the Bakery Manager this position is essential to our operations and its success. Key responsibilities include:

- Proven experience as a Production Supervisor in a large scale FMCG or commercial / manufacturing Bakery
- Monitor the production and storage of bakery products
- Resolve product Non-conformance reports
- Daily management of food production and storage area
- Managing Food Safety administration
- Guide, influence, and mentor positive outcomes of team members
- Schedule staff shifts across all shift patterns as needed
- Champion our safety and culture message

About You

You are passionate about food and want to grow your career in the food production industry and achieve goals by leading and mentoring your team. With experience in supervising a large-scale food production environment, you will have an eye for detail, and focus on food safety and WHS in a production area along with:

- Effective communication and interpersonal skills across multi-skilled workforce.
- Knowledge of HACCP CODEX Alimentarius 2020
- The ability to resolve product Non-conformance reports
- Previous experience as a Qualified Baker
- Preferably hold a First Aid ticket.

For this role the following documents must be provided prior to a formal offer of employment with Cultivate F&B:

- A National Police Clearance (no older than six months old)
- Driver's licence
- Evidence of right to work in Australia

What's in it for you?

Not only will you become a key contributor to the success of a business based around improved community development and leading pathways out into the exciting world of food production, you will also have access to:

- Eligible for Salary Packaging and pay less tax (See here for more information)
- Ability to influence outcomes within a supportive network of collaborators
- Be part of an organisation who positively impacts the community
- An environment focused on culture and an enjoyable workspace to be proud of
